Cute and cozy 3 bedroom, 2 bath home with a bonus outdoor office/studio and solar!!! Perfectly located near the Irish Hills trails, Laguna Middle School and shopping center like Costco, Whole Food, REI, Best Buy and more all within a mile. Inside the home are vaulted ceilings, new bamboo floors, updated kitchen, granite countertops in the bathrooms, fireplace and new double paned windows. The detached two car garage offers ample storage space along with more storage in the attic. "Mostly outdoor" pets are allowed with an additional deposit. The hot tub seen in the photos will not be included. Outside are three unique gated yards with excellent landscaping.
